İTİBAR ÇELİK KAPI

STEEL DOOR MANUFACTURER

HAKKIMIZDA :

İtibar Çelik Kapı, sektördeki yoleculuğuna 2005 yılında adım atmış, 2010 itibariyle kendi üretim tesisini kurarak sektörde güçlü bir giriş yapmıştır. Gerek üretim gücü, gerekse müşteri odaklı yaklaşımıyla, her geçen gün kendini yenileyen ve geliştiren bir firma olmayı başarmıştır.

Hedefimiz yalnızca kaliteli ürünler üretmek değil, aynı zamanda her bir müşterimizin güvenliğini, estetiğini ve yaşam alanlarını en iyi şekilde şekillendirecek çözümler sunmaktır. Çelik kapı sektörü, gelişen teknolojiler, değişen tüketici talepleri ve artan güvenlik ihtiyaçlarıyla sürekli bir evrim içindedir.

Biz de bu evrime ayak uydurmakla kalmayıp, sektördeki lider konumumuzu pekiştirmek için sürekli yenilikler getiriyoruz.

Kayseri Organize Sanayi Bölgesi'nde bulunan 1.200 metrekarelik üretim tesisimizde, modern makineler ve deneyimli bir ekip ile çelik kapı üretimini gerçekleştiriyoruz. Yıllık üretim kapasitemiz, 10.000 adedin üzerinde olup, her bir kapı, güvenlikten estetiğe kadar birçok kriteri göz önünde bulundurarak titizlikle üretilmektedir.

İtibar Çelik Kapı, yalnızca Türkiye'de değil, Avrupa, Afrika ve Ortadoğu gibi pek çok farklı bölgede, üstün kaliteye sahip ürünleriyle adından söz ettirmektedir. Her bir ürünümüzde, yüksek kaliteli malzemeler kullanarak, dayanıklılığı ve güvenliği ön planda tutuyoruz. Ayrıca, çelik kapıların tasarımında estetik anlayışını da ön planda tutarak, her projeye özel çözümler geliştiriyoruz.

Sektördeki değişimleri ve gelişmeleri yakından takip ederek, teknolojiyi en verimli şekilde kullanıyoruz. Çelik kapıların sadece güvenli değil, aynı zamanda sık ve fonksiyonel olmasını sağlamak için sürekli araştırma ve geliştirme çalışmaları yapıyoruz. Yeni nesil güvenlik teknolojileri ve çevre dostu malzemelerle, her zaman sürdürülebilir ve sağlıklı çözümler sunuyoruz.

İtibar Çelik Kapı, her projede yalnızca estetik ve güvenliği değil, müşteri memnuniyetini de odak noktasına alır.

Her ürünümüzde, hem kullanıcı dostu özellikler sunar hem de modern yaşam alanlarına uyum sağlayacak tasarımlar geliştiririz. Kendi üretim anlayışımızla, sektördeki diğer firmalardan farklılaşarak, kaliteyi, güvenliği ve estetiği bir arada sunuyoruz.

Güçlü bir geçmişe sahip olan firmamız, gelecekte de sektördeki liderliğini sürdürerek, dünya çapında daha fazla projeye imza atmayı hedeflemektedir. Her adımda, güvenli ve estetik çözümlerle yaşam alanlarını güzelleştirmek, işimizi daha da ileriye taşımak için var gücümüzle çalışmaya devam ediyoruz.

**BAŞARI, GÜVENLİK VE ESTETİKLE ŞEKİLLENEN YEPYENİ BİR DÜNYA İÇİN
“İTİBAR ÇELİK KAPI” OLARAK HER ZAMAN YANINIZDAYIZ.**

ABOUT US :

Itibar Steel Door embarked on its journey in the sector in 2005 and made a strong entry by establishing its own production facility in 2010. With its production capacity and customer-oriented approach, it has continuously renewed and improved itself, becoming a firm that adapts to changing market needs and stays ahead of industry trends.

Our goal is not only to produce high-quality products but also to offer solutions that shape the safety, aesthetics, and living spaces of each of our customers in the best possible way. The steel door sector is in constant evolution, driven by technological advancements, changing consumer demands, and growing security needs.

We don't just keep up with these changes; we aim to lead the way, continuously introducing innovations that strengthen our position as an industry leader.

Located in the Kayseri Organized Industrial Zone, our 1,200-square-meter production facility is equipped with modern machinery and a skilled team. With an annual production capacity exceeding 10,000 units, every door we produce is carefully manufactured, considering security, aesthetics, and all other essential factors.

Itibar Steel Door has made a name for itself not only in Turkey but also in Europe, Africa, and the Middle East, exporting high-quality products across various regions. We prioritize the use of premium materials in every product, ensuring durability and security. At the same time, we create custom solutions for each project, ensuring that our steel doors meet the highest aesthetic standards.

By closely monitoring industry trends and developments, we make the most efficient use of technology. We are committed to ensuring that our steel doors are not only secure but also stylish and functional. Through ongoing research and development, we introduce new security technologies and environmentally friendly materials to offer sustainable and healthy solutions.

Itibar Steel Door focuses not only on aesthetics and security in every project but also on customer satisfaction. With each product, we offer user-friendly features and develop designs that complement modern living spaces. Our production approach sets us apart from other companies in the industry, providing a unique combination of quality, security, and aesthetics.

With a strong history behind us, our company aims to continue its leadership in the sector and take on even more global projects in the future. We are committed to continually improving, working with all our might to enhance living spaces with secure and aesthetic solutions, pushing our business further.

For a world shaped by success, security, and aesthetics, Itibar Steel Door is always by your side.
